Next time you go for a car ride, look around. See if you can spot the symbols in each square. When you do, cross off the square.

BINGO

 advanced warning sign	 crossbuck	 multiple-track sign
 crossbuck with flashing red lights	FREE SPACE	 locomotive
 freight car	 crossbuck with flashing red lights and gate	 train tracks ahead (look on pavement)

How many car rides did it take you to check off all the squares?

Can you find your way home without taking dangerous shortcuts? Remember to stay away from trains, tracks and railway yards—they are dangerous places to be. The only safe place to cross train tracks are designated crossings marked with a crossbuck!
